

Dear HTB Reader,

As part of an evaluation of i-Base services we would welcome and encourage your views and ideas about HIV Treatment Bulletin and other i-Base resources. If you could take 5 minutes to complete and return this short questionnaire (SAE enclosed) we would be very grateful.

Thank you for your continued support.

Simon Collins, Editor

All information is anonymous and confidential. Please only answer questions that you feel comfortable with. All feedback is appreciated.

Do you work (including as a volunteer) in health care? Yes No

If yes, what is your occupation?
